City of McKinney Employee Benefits Guide

WELCOME

The City of McKinney is pleased to offer you a comprehensive benefits package. This guide is designed to assist you and your family in making the choices that best meet your needs.

This enrollment guide provides you with information about the following benefit plans available to you and your family: medical/prescription, dental, vision, term life insurance/AD&D, long-term disability, flexible spending accounts, health care savings accounts and other supplemental plans.

Other city benefits, such as holiday pay, personal days, vacation and sick leave, are mentioned in this guide for your information only. No enrollment is required for these benefits. However, you should refer to the relevant city policy for more information regarding eligibility and usage.

Note: This guide is only a summary of employee benefits currently offered by the City of McKinney. In all events, the terms of the various benefit plans set forth in their respective plan documents govern and are located on TheCityInsider.org/Benefits. Plan documents for this plan year, supersede all previous plan documents. As a result, no verbal or written statements made outside of the plan documents change or modify the terms of the plans. The City of McKinney reserves the right to modify or eliminate any benefit plan at any time.

IMPORTANT INFORMATION FOR 2024

City Care, City Care Plus and City HSA

The monthly premiums have changed for all three plans.

ELIGIBILITY FOR BENEFITS

Employee Eligibility

Regular full-time employees are eligible to participate in the medical, dental, vision, life, disability, flexible spending (medical or dependent care), health care savings account and supplemental plans. Certain variable hourly employees determined to be working an average of at least 30 hours per week may qualify for medical plan participation.

Dependent Eligibility

Dependents eligible for coverage in City of McKinney benefit plans include:

- Your legal spouse
- Your dependent children up to age 26 (includes stepchildren, legally adopted children, or children placed with you for adoption)
- Your dependent child, regardless of age, provided he or she is incapable of self-support due to a mental or physical disability and is chiefly dependent on you for support and maintenance. Proof of incapacity must be furnished upon request.

Dependent Children Turning Age 26

If your adult child becomes ineligible for benefits due to turning age 26, it is your responsibility to notify the Human Resources Department (HR) within 31 days of the child's 26th birth date to cancel benefits for that child. If the child needs to remain on a plan due to mental/physical disability, as described above, you will need to contact HR to request continued enrollment for the child. Proof of the child's incapacity for self-support must be furnished.

Divorce

If you divorce your spouse, it is your responsibility to notify HR within 31 days of the effective date of the divorce. A copy of the divorce decree showing the effective date will need to be submitted to HR within that 31 days. You are required to drop your former spouse from your benefits via Benefit Solver at BenefitSolver.com.

ENROLLMENT/CHANGES

How to Enroll

Enroll for benefits online through Benefit Solver: BenefitSolver.com.

Register with Benefit Solver using your date of birth, Social Security number and the company key "**mckinney**" (without the quotes). You will need to either select or waive (decline) each benefit option offered.

Be sure to have Social Security numbers and birth dates for any eligible dependent(s) that you plan to enroll. You cannot enroll your dependent(s) without this information.

Documentation for Dependent Eligibility

If you are adding a dependent for the first time, you will be required to provide proof of dependent status to HR before the enrollment deadline (e.g., a marriage license to prove a spouse or a birth certificate to prove a dependent child).

Evidence of Insurability (EOI) or Statement of Health (SOH) Forms

If you choose to increase or elect optional life insurance or long-term disability benefits after your initial enrollment period or over a guarantee issue amount, you will need to complete an evidence of insurability (EOI) for review. The EOI form must be submitted to Lincoln Financial no later than the enrollment deadline. Coverage will not take effect until the form is approved by the insurance company.

When Coverage is Effective

Provided that all enrollment requirements are completed on time, coverage is generally effective as follows:

- New Hire – First of the month following 28 days of employment
- Annual Enrollment – January 1
- Qualifying Event – First of the month following approval of the change; date of the event for birth or placement for adoption

Change Requests

Once an enrollment period closes, you cannot make any changes to your benefits until the next enrollment period unless you experience a Qualifying Event. You must request a change and submit documentation due to a Qualifying Event within 31 days of the event. However, if you or your dependents lose coverage or become eligible for premium assistance under Medicaid or CHIP, you have up to 60 days from the date you lost or gained eligibility to request enrollment in the city's health plan. Any change requested must be consistent with the Qualifying Event. Except in cases of birth or adoption, changes generally become effective the first of the month following the date the request (with supporting documentation) is approved. Approved enrollment due to birth or adoption becomes effective as of the date of the event. All changes are effective the first of the month following the notification of the qualifying event and submission of the required documents. During a qualified status change, you can only change tiers within the elected benefit.

Log in to Benefit Solver BenefitSolver.com to submit your change request under Life Events. Submit supporting documentation (marriage license, birth certificate, etc.) to HR when you make your request on Benefit Solver. Contact HR at 972-547-7560 or HRBenefits@McKinneyTexas.org for assistance.

Qualifying Events include:

1. Change in legal marital status due to marriage, death of a spouse or divorce
2. Change in number of dependents due to birth, adoption, placement for adoption or death of a dependent
3. Change in employment status of employee, spouse or dependent due to termination or start of employment, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA)
4. Change in employment status of employee, spouse or dependent resulting in eligibility or ineligibility for coverage
5. Changes in coverage of spouse or dependent under another employer's plan
6. Change in residence of employee, spouse or dependent to a location outside of the employer's network service area
7. Change that causes a dependent to become eligible or ineligible for coverage
8. Court Order mandating a change in coverage to cover a dependent
9. Medicare or Medicaid Eligibility/Entitlement

SUMMARY OF BENEFIT PLAN OPTIONS

The following benefit plans are available for enrollment. Enrollment is online through Benefit Solver for all options except for Aflac and the 457 Deferred Compensation Plans. To enroll in Aflac or one of the 457 Deferred Compensation Plans, contact the plan representative identified on the contact list.

This chart summarizes who pays for coverage under each plan elected (you and/or the city) and whether your payments are made as before- or after-tax deductions. Payroll deductions to pay for benefits are taken 24 times per year, unless special circumstances apply.

CIGNA TELEHEALTH

Cigna Telehealth lets you get the care you need, including most prescriptions for a wide range of minor medical conditions. By using Cigna's Telehealth you can connect with a board-certified doctor via video chat or phone, without leaving your home or office. The costs for using these services are the same or less than an in-network office visit. Some of the services Cigna Telehealth can treat are cold and flu, cough, ear pain, rash, insect bites, as well as mental health.

MCKINNEY PREFERRED NETWORK PROVIDERS

Employees on the City of McKinney's medical plans have options for Urgent and ER care with Occumed Plus and Legacy ER & Urgent Care. The City of McKinney has negotiated with these providers to ensure preferred rates for City HSA members and reduced copays for the City Care and City Care Plus participants. See [page 9](#) for details on copayments and deductibles.

Occumed Plus McKinney

Emergency services: Available 24 hours a day, seven days a week.

For locations and information: LegacyER.com or [972-548-7277](tel:972-548-7277)

MEDICAL & PRESCRIPTION DRUG PLANS

The City of McKinney offers three medical plan options: City Care, City Care Plus and City HSA. City Care and City Care Plus are EPO in-network only medical plans, and City HSA is a high deductible medical plan with a health savings account. All plans are administered by Cigna and utilize the Cigna Open Access Plus (OAP) network. Cigna providers are contracted to limit their charges for services. On the City HSA plan, out-of-network providers may charge more and may balance bill for charges above the plan's "maximum eligible expense" limit. Prescription drug coverage is included with enrollment in one of the medical plans.

Verification of Benefits

If you are enrolled in one of the city's medical plans, you should tell your medical provider that your benefits are verified and paid by Cigna, and utilize the doctors and hospitals on the Cigna Open Access Plus network.

Visit myCigna.com to search for network providers or to verify whether your provider is "in-network." Always ask your health care provider to confirm the Cigna OAP network affiliation before receiving service.

CIGNA CARE DESIGNATED PROVIDER

Cigna Care Designation identifies high quality, cost-efficient providers across 21 specialties, including primary care. Providers who rank highest for their aggregated quality measures and cost-efficiency results compared with peers in their market may receive the designation. Providers who have received the Cigna Care Designation will be considered a Tier 1 Provider and will align to our tiered copays for PCP and Specialist office visits.

Specialty Types Assessed: › Allergy and immunology › Cardiology › Cardiothoracic surgery › Dermatology › Ear, nose and throat › Endocrinology › Family practice › Gastroenterology › General surgery › Hematology and oncology › Internal medicine › Nephrology › Neurology › Neurosurgery › Obstetrics and gynecology › Ophthalmology › Orthopedic surgery › Pediatrics › Pulmonology › Rheumatology › Urology.

PRESCRIPTION DRUG COVERAGE

Prescription drug coverage is included with enrollment in a city medical plan. Your Cigna ID card will act as your prescription ID card as well.

Formulary

Pharmacy benefits are based on the Cigna Preferred Drug Formulary. The formulary is a list of medications to be used as a guide for physicians when prescribing. For the most up-to-date formulary, visit [myCigna.com](https://mycigna.com).

The formulary options are:

- Generic (Tier 1) - Any covered generic prescription drug. All generic drugs within your evidence of coverage are covered even if they are not listed.
- Preferred Brand (Tier 2) - Any covered prescription brand name drug listed on the formulary.
- Non-Preferred Brand (Tier 3) - Any prescription brand name drug not listed on the formulary or is listed on the formulary and has a generic equivalent listed beside the brand name.

As brand name medications become available generically, only the generic will be considered formulary. We encourage you to visit with your physician or pharmacist about your formulary list to determine if a generic or a preferred brand medication is appropriate for you.

Retail/Home Delivery/Specialty

When you need prescriptions, you can purchase them through a participating retail pharmacy. Medications needed on an ongoing basis or 31-90 day supplies can be purchased through the Cigna 90 Now program or at Kroger, Walmart and CVS pharmacies. For a complete list, go to [myCigna.com](https://mycigna.com).

Home Delivery Prescription

Cigna Home Delivery offers a convenient, cost-effective way to order prescribed long-term maintenance medications for direct delivery to your home. Medications obtained through home delivery are limited to a 90-day supply. To maximize your savings, please ask your doctor to write your prescription for a 90-day supply with refills up to one year.

You may order prescriptions electronically, by phone or filling out a form. To find the best option for you visit [myCigna.com](https://mycigna.com) for more details.

Specialty Drugs

Specialty drugs are often injectable drugs, other than insulin, but can include other generic or non-generic drugs classified by the plan as "specialty drugs." Specialty drugs may be obtained at a Cigna network pharmacy (prior authorization may be required).

Find in-network providers at [myCigna.com](https://mycigna.com)

USING OUT-OF-NETWORK PROVIDERS

Members who elect to use an out-of-network provider must pay the provider in full at the time of service and submit a claim to Avēsis for reimbursement. Reimbursement levels are in accordance with the out-of-network reimbursement schedule previously listed. Out-of-network benefits are subject to the same eligibility, availability, frequency of benefits, and limitation and exclusion provisions of the plan, and are in lieu of services provided by a participating Avēsis provider. Out-of-network claim forms can be obtained by contacting Avēsis' Customer Service Center, your group administrator, or by visiting [Avesis.com](https://www.avesis.com).

LIMITATIONS AND EXCLUSIONS

Some provisions, benefits, exclusions, or limitations listed herein may vary depending on your state of residence.

Limitations

This plan is designed to cover eye examinations and corrective eyewear. It is also designed to cover visual needs rather than cosmetic options. Should the member select options that are not covered under the plan, as shown in the schedule of benefits, the member will pay a discounted fee to the participating Avēsis provider. Benefits are payable only for services received while the group and individual member's coverage is in force.

Exclusions

There are no benefits under the plan for professional services or materials connected with and arising from:

- Orthoptics or vision training
- Subnormal vision aids and any supplemental testing, aniseikonic lenses
- Plano (non-prescription) lenses, sunglasses
- Two pair of glasses in lieu of bifocal lenses
- Any medical or surgical treatment of eye or supporting structures
- Replacement of lost or broken lenses, contact lenses or frames, except when the member is normally eligible for services
- Any eye examination or corrective eyewear required by an employer as a condition of employment and safety eyewear
- Services or materials provided as a result of Workers' Compensation Law, or similar legislation, required by any governmental agency whether Federal, State, or subdivision thereof
- Services or materials provided by any other group benefit plan providing vision care

Refractive Surgery Vision Benefit Exclusions

Benefits are not payable for any of the following:

- Routine vision examinations or corrective vision materials, including corrective eyeglasses, fittings, lenses, frames, or contact lenses or
- Medical or surgical procedures, services, or treatments:
 - o Not specifically covered under this rider
 - o Provided free of charge in the absence of insurance
 - o Payable under any Workers' Compensation law or similar statutory authority
 - o Payable under governmental plan or program, whether Federal, State, or subdivisions thereof

NOTES AND DISCLAIMERS

- Discounts on materials are not available at Walmart, Sam's Club or Costco locations.
- Members may not use their contact lens allowance toward fitting fees at Walmart, Sam's Club or Costco and are responsible for any out-of-pocket fees associated with fittings performed at these locations.

TAX-FREE SAVINGS PLANS

The Internal Revenue Service has designed tax-free savings plans to use with qualified health plans and eligible dependent daycare expenses:

- Flexible Spending Account (FSA)
- Dependent Care FSA
- Health Care Savings Account (HSA)

These accounts allow you to set aside tax-free dollars for eligible out-of-pocket expenses. **You cannot be enrolled in both the Health FSA and HSA**, so it is important to evaluate both options and decide which is best for you.

The Health FSA, HSA and Dependent Care FSA are accounts you can use to be reimbursed for certain out-of-pocket expenses related to health care or dependent care (day care) services.

FLEXIBLE SPENDING ACCOUNTS (FSA)

The FSA accounts are separately funded by a fixed amount deducted from your pay on a pretax basis. The FSA plans year runs on a calendar year basis, January – December, with a grace period through March 15. Any money left in the account at the close of the plan year is forfeited. Participation is optional, but once elected, it cannot be changed unless you experience a qualifying event, such as marriage, divorce, birth of a child, etc. Changes due to qualifying events must be requested within 31 days of the event unless the change is related to a gain or loss of Medicaid eligibility. For changes due to Medicaid eligibility, requests must be made within 60 days of the event. Change requests must be initiated via Benefit Solver, in consultation with HR. Supporting documentation will be required.

Health FSA

The Health FSA may be used to pay for eligible out-of-pocket medical expenses incurred by you and your dependents.

Contribution Limits: \$100 - \$3,050 annually

Examples of **Eligible Expenses:**

- Copays
- Deductibles
- Prescription drugs
- Other out-of-pocket costs for medical, dental and vision services not paid by insurance

Over-the-counter (OTC) drugs and medicines are not reimbursable through your flex account unless prescribed by a medical practitioner.

Eligible health FSA expenses include those defined by IRS Code, Section 213(d). See [AllegianceFlexAdvantage.com](https://www.allegianceflexadvantage.com) for a more complete list.

You cannot make or receive HSA contributions if you are enrolled in a Health FSA plan. If you are currently enrolled in an FSA plan but want to make HSA contributions for January 1, you must spend all FSA funds by December 31 of the current plan year.

Dependent Care FSA

The Dependent Care FSA may be used for daycare expenses you incur for the following dependents:

- Your children that live with you and are 12 years of age or younger
- Your tax dependents incapable of self-care that reside in your home at least eight (8) hours per day

Reimbursements are only available for dependent care that is necessary for you and your spouse to remain gainfully employed or for you to remain gainfully employed while your spouse maintains full-time student status. Single parents are also eligible for reimbursements.

Contribution Limits:

The maximum amount you can elect to contribute is the smallest of the following:

- \$5,000 – per couple if married and filing federal taxes jointly
- \$2,500 – if married and filing a separate federal tax return
- Your spouse's annual earned income

Examples of **Eligible Expenses:**

- Day care centers
- Elder care
- Day camps
- Preschool
- After school care
- Nanny / au pair

Examples of **Ineligible Expenses:**

- Meals
- Overnight camps
- Diapers
- Education expenses, including kindergarten
- Incidental fees, such as activity fees and field trips

Reimbursement

Allegiance administers both the Health FSA and the Dependent Care FSA. You can mail, fax (toll free) or scan and send your claims electronically through [AskAllegiance.com](https://www.AskAllegiance.com) or the Allegiance Advantage Mobile app. You may receive reimbursement through check or direct deposit. Debit cards are available for immediate reimbursement of health care expenses, subject to substantiation. A direct deposit is recommended for reimbursement of day care expenses.

The full balance of your annual Health FSA election is available at all times while you are contributing to the account. For example, if you have elected to contribute \$1,200/year, but have only contributed \$100 in January and have submitted no claims so far, you could still be reimbursed for a \$1,200 claim in February.

Dependent Care FSA reimbursements are limited to the balance in your account when the claim is submitted.

Eligible expenses must be incurred no later than March 15 following the end of the plan year and claims for reimbursement must be submitted by March 31.

HEALTH CARE SAVINGS ACCOUNT (HSA)

A health care savings account is an account that you put money into for future medical expenses. To qualify, you must have coverage under an HSA-qualified “high deductible health plan” (HDHP) to open and contribute to an HSA and not enrolled in a Health FSA account. The City HSA health insurance plan is a qualifying HDHP.

HSA money can be used to pay for medical expenses, including those not covered by the plan, for you and your dependents.

- Deductible
- Saving for future health care expenses

Any amounts used for purposes other than to pay for qualified medical expenses are taxable as income and subject to an additional penalty as determined by the IRS.

Advantages of HSAs

- **City of McKinney contribution:** \$1,000 employer contribution for an individual and \$2,000 for family coverage options.
- **Flexibility:** Funds in your account can pay for current medical expenses, including expenses that your insurance may not cover, or save the money in your account for future needs, such as:
 - o Health insurance or medical expenses if unemployed
 - o Medical expenses after retirement (before Medicare)
 - o Out-of-pocket expenses when covered by Medicare
 - o Long-term care expenses and insurance
- **Savings:** You can save the money in your account for future medical expenses and grow your account through investment earnings.
- **Control:** You make all the decisions about:
 - o How much money you will put in the account
 - o Whether to save the account for future expenses or pay current medical expenses
 - o Which medical expenses to pay from the account
 - o Whether to invest any of the money in the account
 - o Which investments to make
- **Portability:** Accounts are completely portable, meaning you can keep your HSA even if you:
 - o Change jobs
 - o Change your medical coverage
 - o Terminate employment
 - o Move to another state
 - o Change your marital status
- **Ownership:** Funds remain in the account from year to year, just like an IRA. There is no “use it or lose it” rules for HSAs.
- **Tax Savings:** An HSA provides you triple tax savings:
 - o Tax deductions when you contribute to your account
 - o Tax-free earnings through investment and
 - o Tax-free withdrawals for qualified medical expenses

Employer/Employee Contribution

If you choose to contribute to an HSA, you can contribute tax-free dollars from your paycheck each pay period. The City of McKinney gives seed money to those employees who chose the City HSA option. The seed money of \$1,000 for an individual and \$2,000 for family coverage options are deposited to your HSA account by the first pay period in January. The amounts will be prorated based on the employee's benefits effective date if not participating in benefits January 1.

An employee cannot contribute to an HSA if he/she is:

- Enrolled in Medicare
- Covered under another Health FSA

As noted by federal law, the annual contribution limits are:

- Individual \$ 4,150 Family \$ 8,300

The annual contribution limits include any funds contributed by your employer. Make sure that your contribution calculations include that figure so that you do not exceed the IRS guidelines. The contribution limits are based on the calendar year.

Catch-Up Contribution

If you are age 55 or older by the end of the year, you can contribute an additional \$1,000 to your HSA.

Information about opening your HSA can be found on [TheCityInsider.org](https://thecityinsider.org) or [myCigna.com](https://mycigna.com).

LIFE INSURANCE

Basic Life & AD&D Insurance Coverage (City Paid)

The City of McKinney automatically provides basic term life and accidental death and dismemberment (AD&D) insurance coverage to all regular full-time employees at no cost to the employee. Basic Life & AD&D Coverage begins on the date of hire and ends on the last day of employment.

The life insurance plan pays a benefit of one times your annual salary (\$60,000 minimum to \$300,000 maximum) to the employee's designated beneficiary.

Benefits reduce to 65% at age 70 and to 50% at age 75.

Coverage is provided by the Lincoln Financial Group.

The AD&D plan also provides one times your annual salary (\$60,000 minimum to \$300,000 maximum) in the event of death due to an accident. Benefits for other losses/injuries due to an accident are based on a percentage of the full death benefit.

Supplemental Life and AD&D Insurance (Employee Paid)

Regular full-time employees may elect to purchase supplemental life and AD&D insurance coverage in addition to the basic city-paid coverage.

Employees pay the full cost of these benefits through post-tax payroll deductions. Premiums for both the employee and the spouse are based on the employee's age. Children must be unmarried and under age 26 for coverage.

Evidence of insurability (EOI) is required for coverage elections above the guaranteed issue. Any purchase or increase in benefits beyond the initial eligibility period is also subject to the submission of EOI.

Contact HR or visit the intranet at TheCityInsider.org to locate the Lincoln Financial Group "Evidence of Insurability" form required for benefit elections requiring EOI.

SUPPLEMENTAL LIFE/AD&D COVERAGE

Type of Coverage	Optional Annual Increase ¹	Guaranteed Issue	Overall Maximum Benefit	Employee Contribution
Employee	2 Increments of \$10,000	\$250,000	5x Basic Annual Earnings up to \$500,000	100%
Spouse ²	2 Increments of \$5,000	\$50,000	\$250,000	100%
Child(ren) ³	N/A	\$20,000	\$20,000	100%

¹Employee and Spouse are eligible at annual enrollment to increase their coverage up to two incremental bumps as long as they have not been previously declined coverage or had coverage withdrawn.

²Spouse amount cannot exceed 50% of the employee's supplemental benefit.

³Children do not have a benefit available from birth to 14 days.

⁴Spouse or children eligible for employee coverage cannot be covered as a dependent. Only one parent may cover a child. For more information about this benefit, visit the intranet at TheCityInsider.org or contact HR.

SUPPLEMENTAL LIFE/AD&D RATES

Employee Age	Employee / Spouse ⁵ – Cost Per \$1,000 Coverage Per Month
Under 30	\$0.071
30-34	\$0.074
35-39	\$0.085
40-44	\$0.114
45-49	\$0.162
50-54	\$0.239
55-59	\$0.357
60-64	\$0.516
65-69	\$0.921
70+	\$1.715
Child(ren)	\$0.200

⁵Spouse rates are based on the employee's age.

LONG-TERM DISABILITY

Basic LTD (City Paid)

The City of McKinney automatically provides basic Long-Term Disability (LTD) insurance coverage to regular full-time employees at no cost to the employee. Basic LTD coverage provides income protection by replacing a percentage of pay if an employee is unable to work for more than 180 days due to an illness or injury. Basic LTD Coverage begins on the date of hire and ends on the last day of employment. Coverage is provided by the Lincoln Financial Group.

Monthly benefits generally equate to 60% of basic pre-disability earnings up to a maximum of \$5,000 per month. Benefits are subject to reductions due to income from other sources, such as sick leave, salary continuation, workers' compensation or Social Security.

LTD Buy-Up (Employee Paid)

Employees may enhance their basic LTD coverage by “buying up” to a benefit that would pay 66.67% of their basic pre-disability earnings, up to a maximum of \$7,500 per month.

Buy-up is optional and is paid entirely by the employee through post-tax payroll deductions. Premiums for buy-up are based on age. Evidence of Insurability (EOI) is required for enrollment beyond the initial eligibility period.

EXAMPLE: Employee is age 47 as of January 1 and makes \$62,000 per year. The buy-up premium rate is .455% of covered payroll.

Determine Basic Benefit:

- Step 1.** Calculate monthly salary: $\$62,000/12 = \$5,167$
- Step 2.** Calculate basic benefit: $\$5,167 \times .60 = \$3,100$ monthly benefit

Determine Total Benefit (with Buy-Up) and Cost:

- Step 1.** Calculate monthly salary: $\$62,000/12 = \$5,167$
- Step 2.** Calculate total benefit (basic plus buy-up): $\$5,167 \times .6667 = \$3,444$ TOTAL monthly benefit available (\$3,100 from basic plan, and \$344 from buy-up)
- Step 3.** Calculate employee cost: $\$5,167 \times .455\% (.00455) = \23.51 per month in premium

For more information about this benefit, visit the intranet at [TheCityInsider.org](https://thecityinsider.org) or contact HR.

Aflac isn't health insurance. We help pay expenses health insurance doesn't cover. Most health insurance plans typically pay doctors and hospitals. In the event of an unexpected injury or illness, Aflac can help protect your personal finances. We provide individuals and families with affordable insurance that can help with expenses health insurance doesn't cover, including copayments and deductibles. Our cash benefits are paid directly to you (unless otherwise assigned), and we process claims quickly. That means you can spend more time recovering and less time worrying about bills.

The following is a brief summary of Aflac's Voluntary Supplemental Insurance policies made available to you through payroll deductions:

- **Aflac Accident Advantage** (Policy A36000TX): Accidents can happen at any time. You could suffer an accidental injury whether you're working around the house or walking into your office. Or your child may get injured at basketball practice. When an accident happens, it can be costly. Even with major medical insurance, there may be out-of-pocket expenses to pay.
- **Aflac Short-Term Disability** (Policy A57600TX): No one plans on becoming disabled. It's just not something we typically think about. And yet, it is something that can happen to anyone. If you get sick or hurt and couldn't work, how would you pay the monthly mortgage? Buy groceries? Make your car payment? And all of the other bills that won't go away, just because your paycheck is gone? That's where the Aflac short-term disability insurance plan can help make the difference. The difference that means you can have a portion of your income to help take care of your bills while you're taking care of yourself.
- **Aflac Cancer Protection Assurance** (Policies B70100TX, B70200TX, B70300TX): Major medical insurance may not cover the cost of things like deductibles, co-pays, lost work time, or even travel.
- **Aflac Critical Care Protection** (Policy A74100TX): If you become seriously ill, your focus should be on your health – not on your finances. Aflac's easy-to-understand Critical Care Protection, specified health event insurance policies can help you concentrate on what's important: getting well. We developed this policy series by focusing on several specified health events, such as: heart attack, stroke, coronary artery bypass graft surgery (CABG), sudden cardiac arrest, third-degree burns, coma, paralysis, major human organ transplant, end-stage renal failure, persistent vegetative state
- **Aflac Hospital Choice** (Policy B40100TX): If you are confined to the hospital, major medical insurance can help with many medical expenses, but you may be left with out-of-pocket expenses. You may also lose pay while you're out of work, but the bills will keep coming. Aflac is here to help.
- **Aflac Dental** (Policy A82100RTX): Dental coverage from Aflac pays benefits for seven categories of dental treatments and hundreds of procedures, allowing you to focus on attaining and maintaining good oral health.

For more information, including costs and complete details of the coverage, please contact your local Aflac agent.

This is a brief product overview only. Coverage options, benefits and premium rates vary based on plan selected. Optional riders may be available at an additional cost. The policies listed have limitations and exclusions that may affect benefits payable. Refer to the policy forms for complete limitations, and exclusions.

Coverage is underwritten by Aflac.

WELLNESS PROGRAM

The City of McKinney's Wellness Program offers incentives* and online tools to encourage healthy habits and inspire participants to take charge of their well-being. The program is open to any full-time employee and is completely voluntary. Participation will be tracked by Circle Wellness, who will receive the required documentation to validate the completion of activities and assure the privacy and security of individual health data. The city will not receive any personal health information on employees.

Program Details

Participants can earn up to \$600 Wellness Dollars for completing the three activities below by Nov. 30, 2024. Wellness Dollars earned in 2024 will be paid out in a lump-sum payment in January of 2025.**

Activity 1. Health Risk Assessment (HRA) on Circle Wellness - \$100

Activity 2. Annual Biometric Screenings and Meeting 3 of 5 Biometric Goals - \$250

- Biometric screenings may be completed at an annual screening event sponsored by the city or through the participant's doctor (validated by an official copy of biometric screening results or a form signed by a doctor). Biometric screenings must include all the items listed below.
- Participants who do not meet at least three goals may still earn the reward if they also complete the Annual Preventive Care Exam.

- 1) Waist measure: men $\leq 40"$ / women $\leq 35"$
- 2) Fasting glucose: ≤ 100
- 3) Blood pressure: $\leq 130/85$
- 4) HDL cholesterol: men ≥ 40 / women ≥ 50
- 5) Triglycerides: ≤ 150

Activity 3. Annual Preventive Care Exam - \$250

- Validated either by Cigna medical claim (if enrolled in the health plan) or by a form signed by the doctor.

**Wellness Dollars are taxable benefits.*

***Employee must be actively employed at the time of the wellness dollar payout*

Circle Wellness

Circle Wellness is our online wellness program platform. Login or register at circlewell.com. Once logged in, you can:

- Take your HRA (Health Risk Assessment)
- Track your progress on the wellness activities above by checking your Report Card
- Find forms for blood work and preventive exam
 - Blood work form is required If you complete blood work with your own provider. If you participate in our annual on-site biometric screening event, this form is not required.
 - Preventive exam form is required if you are not enrolled in our medical plan. If you are enrolled in our medical plan, this activity will be validated through a claims feed between Cigna and Circle Wellness.

RETIREMENT PROGRAMS

Required Plan – Texas Municipal Retirement System (TMRS)

Employees who normally work at least 1,000 hours per year are required to contribute 7% of gross pay each paycheck. Deposits are credited with interest each year. The City of McKinney matches member deposits and interest at retirement at a rate of 2 to 1. The city match is combined with member deposits and interest to calculate retirement benefits. Member deposits are deducted from pay before taxes, so participants are not taxed on deposits or interest credits until they receive them from TMRS as a benefit payment. By law, members cannot borrow from their TMRS accounts, nor can they use it as collateral for a loan.

Members may retire when they have at least five (5) years of service credit and are at least age 60. They may also retire at any age with 20 years of service credit.

Employees who leave the city before they are vested (five years) may request a refund or rollover of their deposits and interest, but will not receive any city matching funds. Employees who are not vested and do not apply for a refund or rollover, may leave their funds with TMRS for up to five years and continue to earn interest.

TMRS members may view and print annual statements, run retirement estimates, update your address and change beneficiaries on the website at [TMRS.com](https://www.tmrstexas.com); click on MyTMRS to register. The city also participates in Social Security.

Optional Retirement Plan	457(b) Deferred Compensation Plan
Social Security Tax	6.2%
Medicare Tax	1.45%

Optional Plans – 457(b) Deferred Compensation

The City of McKinney provides employees the opportunity to increase their retirement savings through 457 deferred compensation plans administered by MissionSquare Retirement (ICMA-RC) or Nationwide. Participation is optional and both plans are fully funded by employee contributions. The city does not contribute to either plan. Employees may contribute a minimum of \$10 per pay period up to \$22,500/year or \$30,000 if age 50 or older on a pretax basis based on current tax law. Contributions and earnings on investments are not taxed until withdrawn from the participant's account. Account values will fluctuate based on the performance of investment options selected.

	Regular full-time, exempt employees accrue comp time at a straight time rate for every hour worked in excess of the standard 40-hour workweek. The maximum accrual for compensatory time for exempt employees is 40 hours.			
	Refer to the personnel policies for additional information and guidelines regarding compensatory time.			
Longevity Pay	Regular full-time employees receive \$5 per month of service to a maximum of \$1,200. Payments are distributed annually.			

Fire and Police employees who are covered through a meet and confer agreement should refer to the current meet and confer agreement. If it is not covered in the meet and confer agreement, then the full-time employees will be covered as outlined within the city policy above.

FAMILY & MEDICAL LEAVE ACT (FMLA)

The Family & Medical Leave Act of 1993 (the “Act”) entitles employees to 12 weeks of unpaid, job-protected leave for certain family and medical reasons.

Employees are eligible for family/medical care leave (“FMLA Leave”) if they have been employed for at least 12 months by the City of McKinney and have at least 1,250 hours of service in the previous 12 months.

An employee who has/will be absent from work for surgery or more than three (3) consecutive workdays for medical reasons (36 hours for Fire shift employees) should contact HR as soon as possible to determine whether the absence should be designated as FMLA Leave.

FMLA Leave will be granted for any of the following reasons:

- To care for the employee’s child after birth, placement for adoption or foster care (the right to leave for the birth or placement of a son or daughter expires 12 months after the birth or placement with the employee, and **must be taken in a continuous block of leave unless the city agrees to allow intermittent leave**).
- To care for the employee’s spouse, son or daughter or parent who has a serious health condition.
- For a serious health condition (as that term is defined by the Act) that makes the employee unable to perform the employee’s job, including work-related illness or injuries.
- Any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a military member on covered active duty.
- To care for a current service member or veteran with a serious injury or illness if the employee is the spouse, son, daughter, parent or “next of kin” of the current service member or veteran (military caregiver leave).

Employees are entitled to a total of 12 workweeks of FMLA Leave in a rolling 12-month period. This means that the amount of current FMLA Leave and any FMLA Leave taken within the previous 12 months may not exceed 12 workweeks total unless military caregiver leave also applies. Employees are not entitled to 12 workweeks for each situation that would otherwise qualify for FMLA Leave.

An eligible employee who is the spouse, son, daughter, parent or “next of kin” of a current service member or veteran with a serious injury or illness may take up to a total of 26 workweeks of unpaid leave during a “single 12-month period” to provide care for the service member or veteran. In the case of military caregiver leave, an eligible employee’s FMLA Leave entitlement is limited to a total of 26 workweeks of FMLA Leave for any qualifying reason.

If both spouses are working for the City of McKinney, their total leave in any 12-month period may be limited to 12 weeks if the leave is taken for the birth or adoption of a child or to care for a sick parent. Care for parents-in-law is not covered by the FMLA.

Requesting FMLA Leave

To request FMLA Leave when the need for leave is foreseeable, the employee should notify his/her supervisor and HR at least 30 days in advance or as soon as possible. If the need for FMLA Leave is unforeseeable, the employee should notify his/her supervisor and HR as soon as he/she becomes aware of the need.

HR may request the following from the employee:

- A written request indicating the dates and the reason for the leave
- Certification from a health care provider to support a request for leave due to the serious health condition of the employee, family member or covered service member
- Regular reports from the employee regarding his/her leave status and anticipated return-to-work date
- Documentation from the military certifying that the military member is on covered active duty (or has been notified of an impending call to covered active duty)
- A return-to-work release from the employee’s doctor
- To undergo a fitness-for-duty test prior to returning to work (if needed)

Intermittent FMLA Leave

When medically necessary, an employee may be granted leave intermittently or on a reduced work schedule in accordance with the Act. Employees should consult HR to determine when they are eligible for such intermittent leave or reduced work schedule. To accommodate such intermittent leave or reduced work schedule, the City of McKinney may transfer the employee to another position of equivalent pay and benefits. In the case of a child's birth, adoption or placement into an employee's home, leave may be taken intermittently or on a reduced schedule only by approval of the Department Director and HR.

If an employee needs leave intermittently or on a reduced leave schedule for planned medical treatment, then the employee must make a reasonable effort to schedule the treatment so as not to unduly disrupt departmental operations. **If the need for intermittent leave is unforeseeable, the employee must make a reasonable effort to notify his/her immediate supervisor and the Human Resources Department at least one hour prior to the start of a scheduled shift (or per departmental procedures) that he/she is going to be absent from work due to a reason related to the approved intermittent FMLA Leave.**

Other Requirements

The City of McKinney may require additional and/or periodic verification of the medical condition and/or the need for leave. Any misrepresentation made to obtain or continue leave is grounds for immediate termination.

If an employee has health coverage through the City of McKinney, the employee's benefits will be continued while on leave, provided the employee continues to pay his/her portion of the cost. The employee must repay the City of McKinney for the city's portion of premiums during an unpaid leave if the following conditions occur:

- The employee fails to return from leave after the entitlement has expired.
- The employee fails to return to work for a reason other than:
 - (1) The continuation, recurrence, or onset of a serious health condition that would entitle the employee to leave or
 - (2) Other circumstances beyond the employee's control.

Accrued paid time, including sick, vacation, holiday, workers' compensation and comp time, will run concurrently with all FMLA Leave. Accrued paid time must be exhausted prior to taking unpaid leave.

With limited exceptions under the Act, upon return from an FMLA Leave, the employee will return to his/her regular job or an equivalent position with equivalent pay, benefits and other terms and conditions of employment.

REQUIRED NOTICES & PRIVACY PRACTICES

HEALTH INSURANCE MARKETPLACE COVERAGE OPTIONS AND YOUR HEALTH COVERAGE

PART A: GENERAL INFORMATION

Since key parts of the health care law took effect in 2014, there is another way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a tax credit that lowers your monthly premium right away. Typically, you can enroll in a Marketplace health plan during the Marketplace’s annual Open Enrollment period or if you experience a qualifying life event.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.12% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit. Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution — as well as your employee contribution to employer-offered coverage — is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact the Human Resources Manager—Benefits at HRBenefits@McKinneyTexas.org.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: INFORMATION ABOUT HEALTH COVERAGE OFFERED BY YOUR EMPLOYER

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

1. Company Name: The City of McKinney		2. Employer Identification Number (EIN)	
3. Employer address 201 W. Louisiana St.		4. Employer phone number 972-547-7560	
5. City McKinney	6. State TX	7. ZIP code 75069	
8. Who can we contact about employee health coverage at this job? HR Benefits Manager			
9. Phone number (if different from above)		10. E-mail address HRBenefits@McKinneyTexas.org	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to all employees. Eligible employees are full time employees working at least 30 hours per week.
- With respect to dependents, we do offer coverage. Eligible dependents are: Your legal spouse, a child under the limiting age shown in your schedule of coverage, a child of your child who is your dependent for federal income tax purposes at the time application for coverage of the child is made, and any other child included as an eligible dependent under the plan.

☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

****Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.**

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process.

CITY OF MCKINNEY NOTICE OF PRIVACY PRACTICES

This notice describes how medical information about you may be used and disclosed, and how you can get access to this information. Please review it carefully.

Our Company's Pledge to You

This notice is intended to inform you of the privacy practices followed by the City of McKinney (the Plan) and the Plan's legal obligations regarding your protected health information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The notice also explains the privacy rights you and your family members have as participants of the Plan. It is effective on January 1, 2024.

The Plan often needs access to your protected health information in order to provide payment for health services and perform plan administrative functions. We want to assure the participants covered under the Plan that we comply with federal privacy laws and respect your right to privacy. The City of McKinney requires all members of our workforce and third parties that are provided access to protected health information to comply with the privacy practices outlined below.

Protected Health Information

Your protected health information is protected by the HIPAA Privacy Rule. Generally, protected health information is information that identifies an individual created or received by a health care provider, health plan or an employer on behalf of a group health plan that relates to physical or mental health conditions, provision of health care, or payment for health care, whether past, present or future.

How We May Use Your Protected Health Information

Under the HIPAA Privacy Rule, we may use or disclose your protected health information for certain purposes without your permission. This section describes the ways we can use and disclose your protected health information.

Payment. We use or disclose your protected health information without your written authorization in order to determine eligibility for benefits, seek reimbursement from a third party, or coordinate benefits with another health plan under which you are covered. For example, a health care provider that provided treatment to you will provide us with your health information. We use that information in order to determine whether those services are eligible for payment under our group health plan.

Health Care Operations. We use and disclose your protected health information in order to perform plan administration functions such as quality assurance activities, resolution of internal grievances, and evaluating plan performance. For example, we review claims experience in order to understand participant utilization and to make plan design changes that are intended to control health care costs.

However, we are prohibited from using or disclosing protected health information that is genetic information for our underwriting purposes.

Treatment. Although the law allows use and disclosure of your protected health information for purposes of treatment, as a health plan we generally do not need to disclose your information for treatment purposes. Your physician or health care provider is required to provide you with an explanation of how they use and share your health information for purposes of treatment, payment, and health care operations.

As Permitted or Required by Law. We may also use or disclose your protected health information without your written authorization for other reasons as permitted by law. We are permitted by law to share information, subject to certain requirements, in order to communicate information on health-related benefits or services that may be of interest to you, respond to a court order, or provide information to further public health activities (e.g., preventing the spread of disease) without your written authorization. We are also permitted to share protected health information during a corporate restructuring such as a merger, sale, or acquisition. We will also disclose health information about you when required by law, for example, in order to prevent serious harm to you or others.

Pursuant to Your Authorization. When required by law, we will ask for your written authorization before using or disclosing your protected health information. Uses and disclosures not described in this notice will only be made with your written authorization. Subject to some limited exceptions, your written authorization is required for the sale of protected health information and for the use or disclosure of protected health information for marketing purposes. If you choose to sign an authorization to disclose information, you can later revoke that authorization to prevent any future uses or disclosures.

To Business Associates. We may enter into contracts with entities known as Business Associates that provide services to or perform functions on behalf of the Plan. We may disclose protected health information to Business Associates once they have agreed in writing to safeguard the protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims. Business Associates are also required by law to protect protected health information.

To the Plan Sponsor. We may disclose protected health information to certain employees of City of McKinney for the purpose of administering the Plan. These employees will use or disclose the protected health information only as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized additional disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

Your Rights

Right to Inspect and Copy. In most cases, you have the right to inspect and copy the protected health information we maintain about you. If you request copies, we will charge you a reasonable fee to cover the costs of copying, mailing, or other expenses associated with your request. Your request to inspect or review your health information must be submitted in writing to the person listed below. In some circumstances, we may deny your request to inspect and copy your health information. To the extent your information is held in an electronic health record, you may be able to receive the information in an electronic format.

Right to Amend. If you believe that information within your records is incorrect or if important information is missing, you have the right to request that we correct the existing information or add the missing information. Your request to amend your health information must be submitted in writing to the person listed below. In some circumstances, we may deny your request to amend your health information. If we deny your request, you may file a statement of disagreement with us for inclusion in any future disclosures of the disputed information.

Right to an Accounting of Disclosures. You have the right to receive an accounting of certain disclosures of your protected health information. The accounting will not include disclosures that were made (1) for purposes of treatment, payment or health care operations; (2) to you; (3) pursuant to your authorization; (4) to your friends or family in your presence or because of an emergency; (5) for national security purposes; or (6) incidental to otherwise permissible disclosures.

Your request for an accounting must be submitted in writing to the person listed below. You may request an accounting of disclosures made within the last six years. You may request one accounting free of charge within a 12-month period.

Right to Request Restrictions. You have the right to request that we not use or disclose information for treatment, payment, or other administrative purposes except when specifically authorized by you, when required by law, or in emergency circumstances. You also have the right to request that we limit the protected health information that we disclose to someone involved in your care or the payment for your care, such as a family member or friend. Your request for restrictions must be submitted in writing to the person listed below. We will consider your request, but in most cases are not legally obligated to agree to those restrictions.

Right to Request Confidential Communications. You have the right to receive confidential communications containing your health information. Your request for restrictions must be submitted in writing to the person listed below. We are required to accommodate reasonable requests. For example, you may ask that we contact you at your place of employment or send communications regarding treatment to an alternate address.

Right to be Notified of a Breach. You have the right to be notified in the event that we (or one of our Business Associates) discover a breach of your unsecured protected health information. Notice of any such breach will be made in accordance with federal requirements.

Right to Receive a Paper Copy of this Notice. If you have agreed to accept this notice electronically, you also have a right to obtain a paper copy of this notice from us upon request. To obtain a paper copy of this notice, please contact the person listed below.

Our Legal Responsibilities

We are required by law to maintain the privacy of your protected health information, provide you with this notice about our legal duties and privacy practices with respect to protected health information and notify affected individuals following a breach of unsecured protected health information.

We may change our policies at any time and reserve the right to make the change effective for all protective health information that we maintain. In the event that we make a significant change in our policies, we will provide you with a revised copy of this notice. You can also request a copy of our notice at any time. For more information about our privacy practices, contact the person listed below.

If you have any questions or complaints, please contact:

City of McKinney
Human Resources Manager - Benefits

McKinney, TX 75070
Or call: 972-547-7560

Complaints

If you are concerned that we have violated your privacy rights, or you disagree with a decision we made about access to your records, you may contact the person listed above. You also may send a written complaint to the U.S. Department of Health and Human Services — Office of Civil Rights. The person listed above can provide you with the appropriate address upon request or you may visit [HHS.gov/OCR](https://www.hhs.gov/OCR) for further information. You will not be penalized or retaliated against for filing a complaint with the Office of Civil Rights or with us.

MEDICARE PRESCRIPTION DRUG NOTICE

IMPORTANT NOTICE FROM THE CITY OF MCKINNEY ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of McKinney and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of McKinney has determined that the prescription drug coverage offered by the City of McKinney plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of McKinney coverage will be affected. If you do decide to join a Medicare drug plan and drop your current City of McKinney coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the City of McKinney and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage:

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period, you can join a Medicare drug plan, and if this coverage through the City of McKinney changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For More Information About Medicare Prescription Drug Coverage:

- Visit [Medicare.gov](https://www.Medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [SocialSecurity.gov](https://www.ssa.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this creditable coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

COBRA RIGHTS NOTICE

This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains Public Sector COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What Is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.
- If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:
 - o Your spouse dies;
 - o Your spouse's hours of employment are reduced;
 - o Your spouse's employment ends for any reason other than his or her gross misconduct;
 - o Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
 - o You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to The City of McKinney, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to Human Resources.

How Is COBRA Continuation Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability Extension of 18-Month Period of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second Qualifying Event Extension of 18-Month Period of Continuation Coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are There Other Coverage Options Besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [HealthCare.gov](https://www.healthcare.gov).

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit [DOL.gov/EBSA](https://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit [HealthCare.gov](https://www.healthcare.gov).

Keep Your Plan Informed of Address Changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Are There Other Coverage Options Besides Cobra Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [HealthCare.gov](https://www.healthcare.gov).

Can I Enroll In Medicare Instead Of COBRA Continuation Coverage After My Group Health Plan Coverage Ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or

before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

OTHER NOTICES

Wellness Program and Reasonable Alternatives Notice

The wellness program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete your annual biometric screening and annual preventive care exam, or by falling in three of the five biometric goals.

You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of up to \$600 for completing each goal. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the incentive.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as biometric screenings. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and the City of McKinney use aggregate information it collects to design a program based on identified health risks in the workplace, the City of McKinney's Wellness Program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) a registered nurse, doctor, or a health coach in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

Reasonable Alternatives

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all eligible employees. If you think you might be unable to meet a standard for a reward under the City of McKinney wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact Human Resources at 972-547-7560 and we will work with you (and if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Human Resources at 972-547-7560.

Expanded Coverage for Women's Preventive Care

Under the Affordable Care Act, City of McKinney provides female plan participants with expanded access to recommended in-network preventive services, including contraceptives, without cost sharing.

Additional women's preventive services that will be covered without cost sharing requirements include:

- Well-woman visits
- Gestational diabetes screening
- HPV DNA testing
- STI counseling, and HIV screening and counseling
- Contraception and contraceptive counseling
- Breastfeeding support, supplies, and counseling
- Domestic violence screening

For a description of what these items include, visit [HealthCare.gov/Preventive-Care-Women](https://www.healthcare.gov/preventive-care-women).

60-Day Special Enrollment Period

In addition to the qualifying events listed in the enrollment guide, you and your dependents will have a special 60-day period to elect or discontinue coverage if:

- You or your dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- You or your dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP.

Notice of Special Enrollment Rights

If you decline enrollment in medical coverage for yourself or your dependents (including your spouse) because of other health insurance coverage, you may be able to enroll yourself or your dependents in the City of McKinney medical coverage if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment no more than 31 days after your or your dependent's other coverage ends (or after the employer stops contributing to the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you can enroll yourself and your dependents in City of McKinney medical coverage as long as you request enrollment by contacting the benefits manager no more than 31 days after the marriage, birth, adoption or placement for adoption. For more information, contact the City of McKinney's Human Resources Department.

Newborn & Mothers Health Protection Notice

For maternity hospital stays, in accordance with federal law, the Plan does not restrict benefits, for any hospital length of stay in connection with childbirth for the mother or newborn child, to less than 48 hours following a vaginal delivery or less than 96 hours following a Cesarean delivery.

However, federal law generally does not prevent the mother's or newborn's attending care provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). The plan cannot require a provider to prescribe a length of stay any shorter than 48 hours (or 96 hours following a Cesarean delivery).

Women's Health and Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultations with the attending physician and the patient, for:

- All states of reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses
- Treatment of physical complications of the mastectomy, including lymphedema

These benefits will be provided subject to the same deductibles, copays and coinsurance applicable to other medical and surgical benefits provided under your medical plan. For more information on WHCRA benefits, contact Human Resources or your medical plan administrator.

CHIP NOTICE

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from the City of McKinney, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [HealthCare.gov](https://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed on the following page, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office, dial 1-877-KIDS NOW, or visit [InsureKidsNow.gov](https://insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [AskeBSA.DOL.gov](https://www.dhs.gov) or call 1-866-444-EBSA (3272).

If you live in a state listed below, you may be eligible for assistance paying your employer health plan premiums. The list of states is current as of January 31, 2022. Contact your State for further information on eligibility.

To see if any other states have added a premium assistance program since July 31, 2022, or for more information on special enrollment rights, contact either:
